

# Exhibiting at the On-Shore Service and Maintenance conference

**8 November 2016 | Aalborg Congress & Culture Centre, Denmark**

Don't miss out on this golden opportunity to showcase to the rest of the industry what your company brings to the on-shore service and maintenance field.

The Aalborg Congress & Culture Centre is a heavyweight among business conference venues, with both ample space and lighting, representing the ideal surroundings for your company's exhibit to shine.

Our exhibitor's package includes:

- A 2x2 m spot for your exhibit at a central location
- A table and 2 chairs (optional)
- Wi-Fi
- 2 conference tickets for your company
- 2 complimentary tickets for customers/partners
- Power outlets (230 V)

The stand area has room for roll-ups, brochures, etc. For practical reasons, however, it is not possible to purchase additional wall space, spots, or banners.

By registering for a booth, you will have the 2x2 m at your full disposal, so you are more than welcome to set up the equipment that you want to bring.

Finally, we will prepare a leaflet about the exhibiting companies. Therefore, we would like you to submit to us a brief description ( $\approx$  3 lines) about your company, as well as your logo.

Exhibitor's fee: 5,000 DKK excl. VAT
